

Hi Folks, welcome to another ride report.

We had a great day up at Lakeside for the VIP day for the blind, just to see the smiles on their faces was magic. The trailer ride was a great day with Gav leading the pack for a great ride ending up at Minnippi Parklands for a BBQ lunch.

I won't be on any rides for a while as I got a new knee fitted on 3rd June and I'll be off bikes for about three months - so we need volunteers to lead rides for a while. I will still try to organise everything from home and try to attend meetings.

We hope you enjoyed the meat supplied at the trailer ride. We have found a new butcher at Mansfield - DNK Meats - please support him as he is going to advertise in the D.O.N.

Also, if you are passing through Logan Road, Holland Park, drop in at Mediterranean Flames Cafe and say G'day to Neil. He does a great coffee and is thinking about supporting us by advertising in the DON as well.

That's all from me,  
Stay vertical, Phil V.
